ARENA
INVESTORS LP

Arena Investors is an institutional asset manager that provides creative solutions for those seeking capital in special situations. The firm employs over 180 people globally, where the investment leadership team has an average of 20+ years of experience. Since inception in 2015, Arena has deployed over \$5 billion into investments that typically range from \$5 to \$50 million.

The firm brings decades of experience, a track record of comfort with complexity, the ability to deliver within time constraints, and the flexibility to engage in transactions that cannot be addressed by banks and other conventional financial institutions. We are compensated for being a provider of liquidity in situations with challenging process risks. Everything we do enables individuals, corporations, and asset owners to achieve their goals.

Strategy Description

Arena can finance or purchase assets across a wide array of commercial and consumer collateral types. Arena provides loans to specialty finance companies, originators and owners of loans or assets, and invests directly in assets or securities, and in certain situations, can acquire companies via purchase on an opportunistic basis. We specialize in off-the-run, distressed, illiquid and esoteric special operating situation transactions, and Arena's team has deep experience in developing and designing structures to meet the unique needs of the situation or asset.

Mandate Flexibility

Arena brings decades of experience and the ability to engage in a variety of different asset types as lender or purchaser:
